In the Court of the Councillors to His Highness
the Maharaja of Mysore

Re. Order No. J. 776 Police 77-15-6
dated 24.8.1916

In the matter of the Govt. proceedings and Puja in Bukkanakere Village, Krishnarajpet Tq. the Petition of Ramaseth & Patnada Subba Setti & others of the Aravatta Vokkaliga Community is as follows:—

1. That the Government was pleased to pass the above-mentioned order in the matter of the Gorishpuja & processions in Bukkanakere Village, whereby the Deputy Comr's order was confirmed and the appeal of the Lingayat Community was dismissed.

2. But as a rider to the aforesaid Confirmation order it was directed that as it may not be advisable to continue the arrangement ordered by the Court & Confirmed by the aforesaid Government order, for fear it may come to be regarded as establishing an inherent order of precedence, the Deputy was to submit a report after needful enquiry.

3. That it was expected that after the submission of the Dy. Comr's report, the parties would again be heard and a final order passed by Government, but as yet no notice has been received by the Petrs, nor has any endorsement embodying final orders in the matter received by them.

4. That in the meanwhile at the time of the last Govt. feast on 19th Sept 1917

the Police Inspector orally prohibited the worship of Goddess by the women of the Scheduled Community relying upon some orders of Government passed, of which the petitioners are not apprised.

5. That under these circumstances, it has become necessary to further submit to the Government in connection with the appeals connected with the order quoted above, that it would be good to enquire with each lady of the Community consisting of two or three hours to do the worship in all its ritual details at the door of each house, if any for the reason that the necessary time will not be available, and the elaborate ceremonies which the worshippers are by long standing religious custom, to perform, would require the help of not one Purohit but many, who are to be engaged each one at a time of his turn.

6. That having regard to these great many inconveniences, the order of the Deputy Collector to the effect that the worship at the Tank in succession during proper hours would suit the occasion in as much as there is possibility of doing the worship of batches.

7. That for the foregoing and other reasons, petitioners pray that the Orders of Govt. enjoining the order of the Deputy Collector may be directed to stand quashed and finally passed to that effect
